Re: Residential electric service for Eid-Co Buildings Inc.  
Case No. PU-12-727

Dear Ms. Jeffcoat-Sacco,

Cass County Electric will not object to the granting of a Certificate of Public Convenience and Necessity to Ottertail Power Company (OTP) in the above mentioned case, provided the service is for this specific commercial service located in Section 27, T140N R53W, Cass County, North Dakota (note: in the request for temporary service authority by OTP, this location was more clearly defined as follows: located in the NE ¼ of the SE ¼ of Section 27, T140N, R53W of Cass County).

Cass County Electric reserves the right to object to any extension beyond the specific service requested. However, please note that this area is part of a territorial service area agreement between Ottertail Power and Cass Electric that is currently pending a hearing in front of the Commission, which if approved, essentially addresses any concerns expressed in this letter.

Sincerely yours,

Bradley J. Schmidt PE  
Sr. VP Trans. & Distr. Services
