### PUBLIC NOTICE

Pursuant to the provisions of NDCC 38-14.1-17, Knife River Corporation, 1150 West Century Avenue, Bismarck, North Dakota, 58503 has made application for Final Release of Bond for Surface Mine Permit KRGC-8101 at its Gascoyne Mine located in Bowman County, North Dakota. Surface Mine Permit KRGC-8101 was approved by the North Dakota Public Service Commission on July 30, 1982. The current amount of bond for Permit KRGC-8101 is \$849,785.84. Total amount of the requested bond release is \$133,089.73. This application is Bond Release #6.

Knife River Corporation is requesting final bond release on a tract containing 134.2 acres. The tract area is depicted on the accompanying map and being described as follows: The tract for final bond release

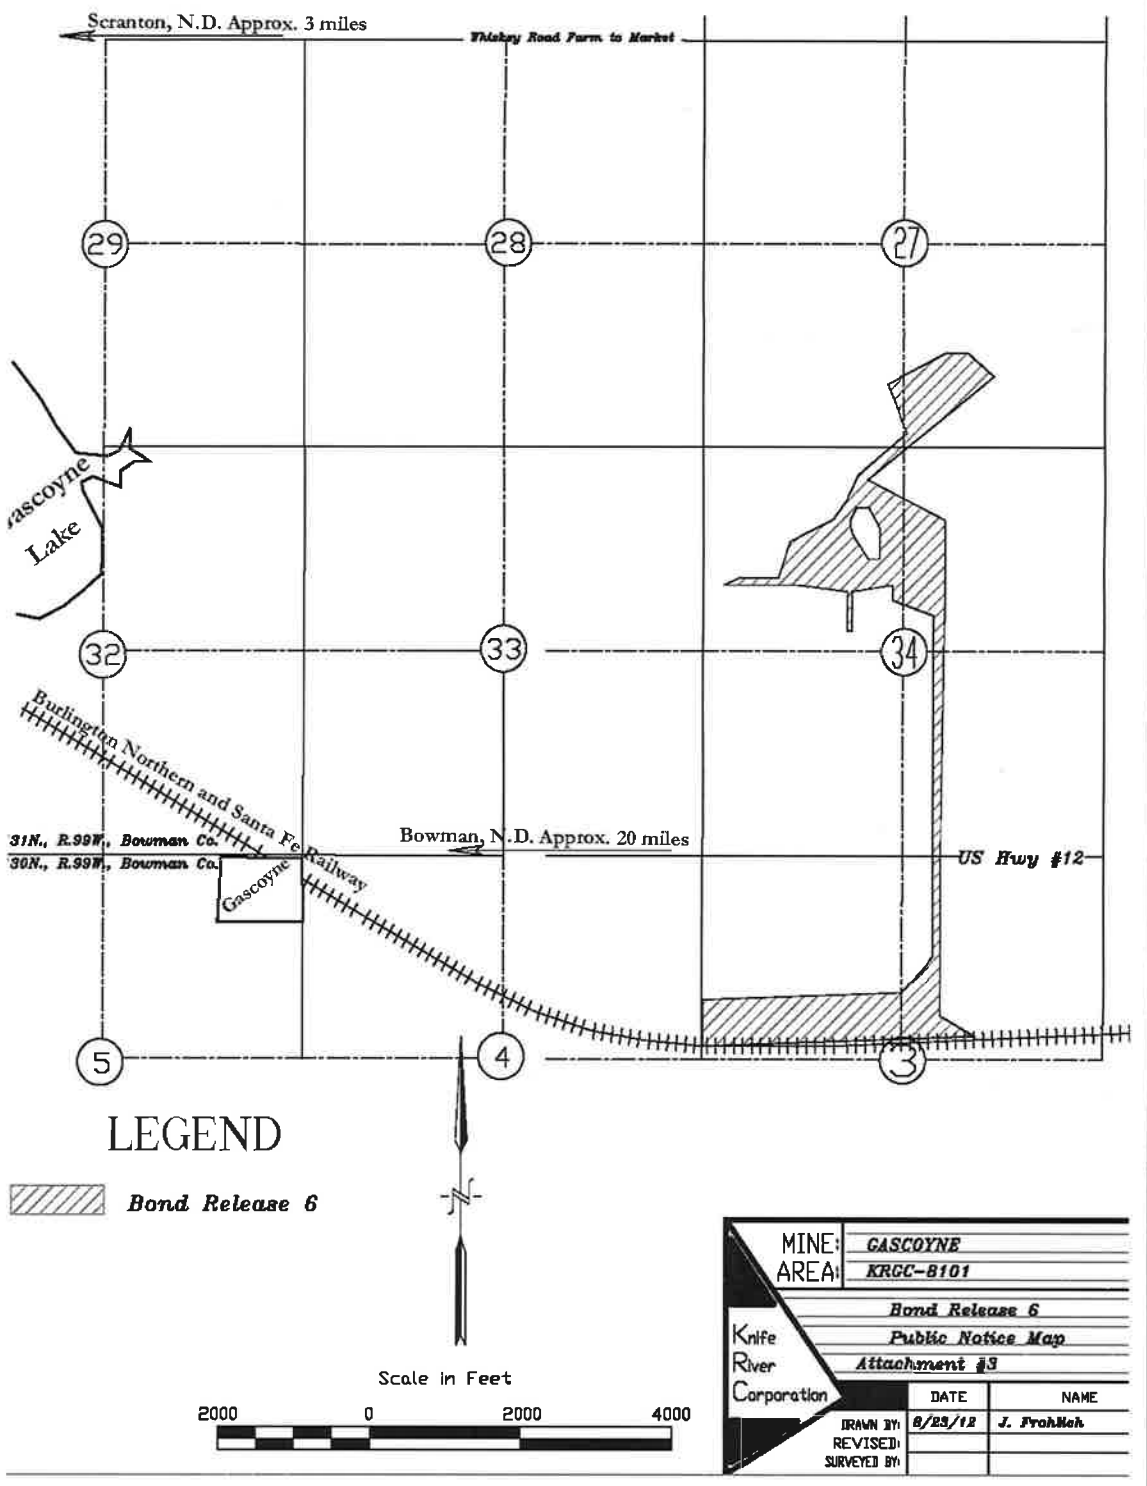

is located in portions of Sections 27, and 34, Township 131 North, Range 99 West, and Section 3, Township 130 North, Range 99 West, Bowman County. Of the 134.2 acres, only 24.4 acres were mined. The remaining acreage would be considered "associated disturbance" for coal mining operations. The area is located approximately 20 miles east of the City of Bowman, North Dakota adjacent to North Dakota Highway 12.

This bond release tract has been developed in accordance with the post mining land use and reclamation plan. Parcels located in Section 27 and 34 have an industrial and commercial post mining land use. This parcel was primarily used as the facilities and coal processing area. The surface disturbance would have occurred prior to July 1, 1975. This parcel has and will support activities of Gascoyne Materials Handling and Recycling, LLC (GMHR) a corporation that has been operating at this location since 1998. The initial leveling and seeding was completed in 1977

with additional seeding in 2004.

The parcel in Section 3, south of US Highway #12 has a post mining land use of industrial and commercial, and fish and wildlife habitat. The access road to the former Knife River Coal Mining Company leonardite storage area, is designated as industrial and commercial. The leonardite storage area is designated as fish and wildlife habitat. The fish and wildlife habitat was seeded in 1999, and 2000.

Written objections or request for an informal conference, or public hearing on the bond release may be submitted by any person with a valid legal interest which is or may be adversely affected to the Reclamation Division, Public Service Commission, State of North Dakota, 600 E. Boulevard Ave., Bismarck, North Dakota 58505 within 30 days after the last publication of this public notice to be published in the Bowman County Pioneer.
