Re: Cargill Incorporated, Wahpeton – Rail Clearance Variance
PSC Case No. RR-12-746

Dear Ms. Jeffcoat-Sacco,

Thank you for bringing the above request for a variance to our attention. We are not opposed to the granting of this variance as our members are not allowed to ride on the tops of cars and it will not impact our safety.

For your future reference, I have been elected to the position of State Legislative Director for the United Transportation Union, replacing John Risch. My contact information is below.

Sincerely yours,

Jim Chase
