Preliminary Statement

On October 2, 2012, Dickey Rural Telephone Cooperative (Dickey Rural) filed with the North Dakota Public Service Commission (Commission) switched access price schedule pages to address a variety of formatting, textual, and rate revisions.

On November 10, 2012, a Notice of Opportunity for Hearing was issued by the Commission. The Notice identified the issue to be considered is whether the price schedules filed by Dickey Rural should be approved by the Commission. The Notice provided until close of business on November 23, 2012 for comments or requests for hearing. No comments or requests for hearing were received by the Commission.

The Commission has jurisdiction over the subject matter and rate of return companies who file intrastate access tariffs, including Dickey Rural.
