**RE: Supplemental Letter of Intent to Submit a Combined Application for a Certificate of Corridor Compatibility and a Route Permit for New Frontier Midstream, L.L.C.'s Natural Gas Liquids Pipeline Project, and Request for a Waiver of One-Year Notice Period**

Dear Mr. Nitschke:

New Frontier Midstream, L.L.C. ("New Frontier") filed its Letter of Intent ("LOI") with the Commission on October 12, 2012 to submit a combined application for a Certificate of Corridor Compatibility and a Route Permit for a natural gas liquids ("NGL") pipeline, pursuant to Chapter 49-22 of the North Dakota Century Code and Article 69-06 of the North Dakota Administrative Code. New Frontier is now filing this Supplemental Letter of Intent ("Supplemental LOI"), pursuant to the Commission's request. New Frontier proposes to construct, own, and operate a NGL pipeline that will commence in Stark County, North Dakota and traverse Billings and Golden Valley Counties, North Dakota and Fallon and Wibaux Counties, Montana.

**Waiver Request**

As stated in New Frontier's LOI, New Frontier seeks permission to file its combined application for a Certificate of Corridor Compatibility and Route Permit three months after filing its LOI. New Frontier requests a waiver of the one-year notice period to allow adequate time to permit and complete construction of the South Heart Project during the fourth quarter of 2013.

As required by Section 69-06-03-02 of the North Dakota Administrative Code, New Frontier provides the following supplemental information regarding the proposed pipeline project:

Page 2

**Size and Type of Facility**

The NGL pipeline will consist of approximately 69 miles of 6-inch diameter pipeline in North Dakota and Montana. Approximately 49 miles of the pipeline will be located in North Dakota.

**Area to be Served**

See New Frontier's LOI, filed with the Commission on October 12, 2012.

**Map of the Study Area for the Proposed Corridor**

See New Frontier's LOI, filed with the Commission on October 12, 2012.

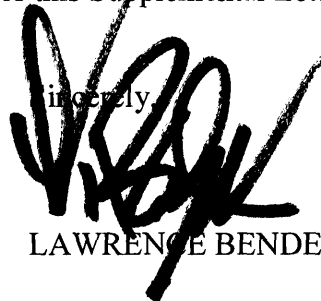

**Estimated Construction and Operation Schedule**

See New Frontier's LOI, filed with the Commission on October 12, 2012.

**Estimated Total Cost of Construction**

New Frontier estimates that the total cost of constructing the North Dakota portion of the NGL pipeline will be \$28,415,000.

Ten (10) copies of this letter, as well as a CD containing this letter in electronic format, are enclosed. We look forward to working with the Commission on this matter. If you have any questions regarding the proposed pipeline project or this Supplemental Letter of Intent, please do not hesitate to contact me.

Sincerely,  
  
LAWRENCE BENDER
