**RE: Public Service Commission vs. Falkirk Farmers Elevator Co.  
CIVIL NO. 28-2012-CV-176  
PSC Case No. GE-12-769**

Dear Ms. Stearns:

This letter is in response to your letter dated November 12, 2013 regarding your request for information on Falkirk Farmers Elevator Co. (Falkirk). You asked for documents from January 1, 2010 – December 31, 2012, relating to the financial condition of Falkirk and the pinto bean inventory.

North Dakota state law does not require licensees to file financial information to the Commission. Therefore, the Commission does not have any financial statements and/or reports of Falkirk's financial condition.

The inspectors completed routine examinations in January 2010 and March 2011 and a grain measurement in April 2013. Copies of the measured inventory reports prepared during the routine examinations and the grain measurement are enclosed.

If you have any questions regarding these documents, please feel free to contact me.

Sincerely,

Susan K. Richter, Director  
Licensing Division
