

December 12, 2014

Mr. Patrick Fahn
Director, Compliance and Competitive Market Division
North Dakota Public Service Commission
600 E. Boulevard Ave., Dept. 408
Bismarck, ND 58505-0480

Mr. Patrick Fahn,

The North Dakota Public Service Commission contracted E3 Environmental, LLC to conduct and document field inspections and a final construction inspection on the Commission's behalf of the Basin Transload, LLC 10-inch Crude Oil Pipeline Project (PU-12-775). Enclosed you will find the following hard copy and electronic documents:

- One (1) paper copy of the Construction Inspection Report.
- One (1) paper copy of Project Field Inspection Reports (5/16/2013).
- One (1) paper copy of Project Field Inspection Reports (11/13/2013).
- One (1) paper copy of Project Field Inspection Reports (11/13/2014).
- One (1) disk containing electronic copies of the above documents.

Upon your review, should you have questions or seek additional information please contact me at 651-282-0652 or via e-mail at kschmidt@go2e3.com.

Best Regards,

Katie Schmidt
E3 Environmental, LLC
