Pat:

Thank you for taking the time to speak with me this morning on this matter.

As suggested on our call, attached find a letter addressed to NDPSC Executive Director Steve Kahn requesting an extension until Tuesday, August 31, 2021 for Basin Transload to submit its responses to the two pending Notices of Noncompliance in NDPSC PU-12-675 and PU-12-775. This is a request for an extension of approximately 45 days. If there is anything else Basin Transload needs to do or information it would need to provide in support of this request for an extension, I trust you will let us know.

Thank you again, Pat, for your assistance here. Basin Transload and I look forward to working with you and your staff to reach a resolution of these issues.

Tim Purdon

Re: Pending Notices of Noncompliance to Basin Trainload LLC in PU-12-675 and PU-12-775

Mr. Kahl:

I have been retained to represent Basin Trainload LLC in connection with two Notices of Noncompliance issued in June by the NDPSC in files PU-12-675 and PU-12-775. The Notices of Noncompliance contain a thirty day deadline for responses from Basin Transload LLC.

I write to request an extension of these deadlines to provide additional time for Basin Transload LLC to investigate this matter. Basin Transload LLC would request that the deadline to respond be extended to Tuesday, August 31, 2021, an extension of approximately 45 days.

Please let me know if you have any questions about this request.

Sincerely,

Timothy Q. Purdon
