**NOTICE OF NONCOMPLIANCE**

**RE: Case No. PU-12-775  
Basin Transload, LLC  
10-Inch Crude Oil Pipeline – Burke County**

The Commission's January 16, 2013, Order in Case No. PU-12-775 issued Certificate of Corridor Compatibility No. 141 and Route Permit No. 154 to Basin Transload, LLC for the location of 7 miles of 10-inch crude oil pipeline in Burke County, North Dakota.

**As-built GIS data**

Paragraphs 31 and 32 of the Certification Relating to Order Provisions, attached to and made part of the January 16, 2013, require that the Company provide the Commission an electronic version of the approved corridor and an electronic version of the as-built facility design specifications within 3 months of the completion of the construction. It appears the Company has not filed this GIS mapping data and is in noncompliance of the Commission's Order.

Staff requests the GIS data be filed with the Public Service Commission by February 25, 2022, to avoid further action due to noncompliance.
