RE: Requested Information for case file PU-12-775 (Basin Transload LLC)

Mr Kahl:

This correspondence is to confirm that MPLX (Tesoro High Plains Pipeline LLC) is working with Basin Transload LLC to gather up and submit the requested As-Built GIS data related to PU-12-775 within 30 days.

MPLX will submit the As-Built GIS data as soon as it is compiled and no later than March 18th, 2022.

Should there be any questions on this please reach out to Darren Snow, North West Area Operations Director for MPLX.

Sincerely,

A handwritten signature in blue ink that reads 'Darren Snow'.
