RE: Requested Information for case file PU-12-775 (Basin Transload LLC)

Mr. Kahl:

This correspondence is to follow up on the Basin Transload LLC / Tesoro High Plains Pipeline Company LLC ("THPP") response submitted to the ND PSC on February 25th, 2022 regarding the As-Built GIS data request for PU-12-775. Per that correspondence THPP has worked with Basin Transload LLC to supply the attached As-Built GIS data.

Should there be any questions on this please reach out to Darren Snow, North West Area Operations Director for MPLX.

Sincerely,

A handwritten signature in blue ink that reads 'Darren Snow'.
