Subject: RE: OCC Complaint

Hi Julie,

You know what I do not understand is that if BCS Fence dissolved on or before 5/17/13, why did they call in tickets in the months of June, July , and August of 2013???

Anyway I guess that doesn't matter. LOL I will write off the balances for BCS Fence.

As far as Northern Excavating, they have not paid anything and owe \$292.20.

Please let me know what else you need from me.

What would be our next step? Filling out complaint forms on other companies that are not paying?

Thanks,

Jennie Jamison
