

**NDPDES Permits Program-Division of Water Quality
Initial Reapplication of NDPDES Permit**

Permittee: Basin Electric Power Cooperative

The North Dakota Pollutant Elimination System (NDPDES) construction stormwater discharge permit, NDR10-0000 expired on September 30, 2014 and has been administratively extended until reissuance. Please complete this form and return it to us at the address below by March 31, 2015.

Following is a construction site that is currently covered by the general permit to be reauthorized under the general permit NDR10-0000. If the project has achieved final stabilization, place an "X" in the Terminate box for the appropriate project. To renew a permit please place an "X" in the Renew box. All active permits which have not been renewed by March 31, 2015 shall be terminated by the department.

<u>Permit ID:</u>	<u>Site Name:</u>	<u>Terminate</u>	<u>Renew</u>
NDR104768	Lonesome Creek Station	<input type="checkbox"/>	<input checked="" type="checkbox"/>

I request that coverage for the site listed above be renewed or terminated under the reissued general permit.

Signed: Cris Miller Date: 2-10-15
