Mr. James R Deutsch
Director, Reclamation Division
Public Service Commission
State of North Dakota

Dear Mr. Deutsch:

Pursuant to your letter dated July 16, 2013, this is to advise you that we feel that you should not require Falkirk Mine to repair three small low areas where water is ponding on reclaimed cropland that we own located on E1/2NE1/4 of Section 1, T145N, R83W, within Permit NAFK-8705.

It is our opinion that you could release the bond on this tract now.

If you have any questions, please contact us.

Sincerely,

Kenneth H Pfaff
