Re: 2013 PSC Bill Drafts
Date: 3 December 2012

This item is on the 5 December Special Meeting Administrative Agenda to determine what PSC bill drafts previously provided to you electronically will be filed for the 2013 session. Attached are the bill drafts on three topics.

Public Utilities - increasing fees for public utility applications.

Gas Pipeline Safety - increasing the penalties for violation of pipeline safety standards.

Public Utilities, Telecom - relating to delivery of bills for commission expenses.

Thank you.
