Dear Mr. Nitschke:

In re: Tesoro High Plains Pipeline Company LLC
Certification for Tioga Station Construction
Our File No. 90-532-001

On December 20, 2012, on behalf of Tesoro High Plains Pipeline Company LLC, we filed documents pertaining to certification for construction at Tesoro's Tioga Station.

Pursuant to an email from Chris Marohl with the Public Service Commission last week, Tesoro has had the Figure 2 Site Map revised to depict the existing Tesoro pipelines and the interconnections from the pipeline to the two proposed new tanks.

Enclosed are the original and ten copies of the revised Figure 2 Site Map.

Please do not hesitate to call should you have any questions.

Very truly yours,

BRIAN R. BJELLA
