January 22, 2013

Mr. Todd Sando
State Engineer
North Dakota State Water Commission
900 East Boulevard Avenue
Bismarck, ND 58505

Dear Mr. Sando:

Enclosed is a CD containing the application for Revision No. 8 to Surface Coal Mining Permit ACPG-9701 held by American Colloid Company for the Page and Perkins Mines. This revision updates the permit for the next 5-year permit term and identifies the coal removal subareas that will be mined during the next 5-year permit term. The revision includes updates to the introductory, environmental resources, operations and reclamation plans.

Please review those portions of the revision application within your areas of responsibility and provide us with comments by February 25, 2013.

If you have any questions, please contact this office.

Sincerely,

James R. Deutsch
Director
Reclamation Division
