Customers that cancel the primary local exchange line will have the entire Account disconnected, including any secondary line(s) and all associated features. (C)

If a Customer cancels a Service Order or terminates services before the completion of the term for any reason whatsoever other than a service interruption (as defined in Section 2.6.1 above), the Customer agrees to pay to the Company termination liability charges, as defined below. These charges shall become due as of the effective date of the cancellation or termination and be payable within the period, set forth in Section 2.5.2.

2.8.1 Termination Liability

A. The Customer's termination liability for cancellation of term or contract service shall be equal to:

5.3 Essentials Local Exchange Service

(N)

Essentials Local Exchange Service offers voice-grade telephonic communications channels that can be used to place or receive one call at a time. Lines are provided for the connection of Customer-provided wiring, telephone, facsimile machines or other station equipment. Trunks, where available, are provided for the connection of Customer provided private branch exchanges (PBX) or other station equipment to the switched telecommunications network. This service is provided in conjunction with intrastate and interstate calling services as selected by the Customer.

Service is provided on a contract basis only offering one and three year terms. If a conversion from a 1 to 3 year term takes place, the additional two years of the contract will be added to the existing 1 year contract terms. If the 3 year contract term offer is not accepted until after the end of month 12 of the original 1 year term, the term will start over again from month 1 at that point.

Current BullsEye customers may transfer their current service to Essentials at no charge. A one-time set up fee per account may apply for accounts migrating from another carrier. Installation charges apply to new line installations as set forth in Section 4 of this tariff.
