RE: Trans National Communications International, Inc.
Tariff Advice Letter No. 3 - Initial Switched Access Tariff

Dear Mr. Nitchke:

Enclosed for filing with the North Dakota Public Service Commission ("Commission") is Trans National Communications International, Inc.'s ("TNCI") initial switched exchange access tariff, North Dakota P.S.C. Tariff No. 3.

TNCI was granted local operating authority in 2005 under Case No. PU-04-627. The enclosed tariff sets forth the rates, terms, and conditions for the provision of intrastate switched access services provided by TNCI in North Dakota. Originating and terminating switched access rates have been set at parity with Qwest/Centurylink's Access Service Price Schedule.

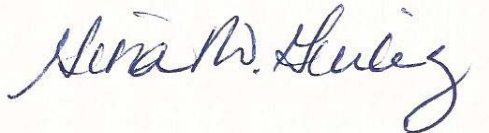

TNCI's North Dakota P.S.C. Tariff No. 3 complies with the Federal Communications Commission's ("FCC") November 18, 2012 Report and Order and Further Notice of Proposed Rulemaking, in Docket Nos. WC Docket No. 10-90, *et al.*, FCC 11-161 ("*USF/ICC Transformational Order*"), as amended, governing the Company's Voice over Internet Protocol – Public Switched Telephone Network Traffic provisions and rate structure. Pursuant to the *USF/ICC Transformational Order*, TNCI acknowledges its obligation to set its terminating intrastate switched access rates at parity with its interstate terminating switched access rates on or before July 1, 2013. TNCI requests a February 17, 2013 effective date for this filing. A paper copy of the electronic submission is being filed via overnight delivery.
