**Subject:** Variance Process - Additional Information

Good Afternoon Mr. Bonno:

**23 WM-13-56** Filed: 12/14/2016 Pages: 3  
**Email clarifying request for variance permit**

The Public Service Commission received the temporary variance permit request from Technisand Inc., doing business as Fairmount Santrol (FMSA). According to the North Dakota Secretary of State Business Records Search, Fairmount Santrol (FMSA) is not registered to do business in North Dakota. The variance permit must be issued to a company registered to do business in North Dakota.

- 1) Do you plan on doing business at the Ross location as Technisand Inc., which is registered to do business in North Dakota? What is the company name that will appear on the scale ticket?
- 2) Provide the name and address of the company making the variance permit request.

If you have any questions, please contact me. Thank you!
