

COURTENAY WIND, LLC

CONSTRUCTION ACTIVITY UPDATE

DATE: 11/19/2014

Courtenay Wind Farm, LLC (Courtenay) provides the following update to the North Dakota Public Service Commission (Commission) on construction activity at the Courtenay Wind Farm. Wanzek Construction, Inc. (Wanzek) has commenced construction activity at the project on the 12th of November. Activity at the site has been focused on the batch plant location. To date Wanzek has installed one access driveway off of State Highway 9. The batch plant location has been cleared and grubbed. Topsoil has been stripped and the sub grade of the batch plant location has been compacted. Aggregate has been laid and compacted at the site.
