We are writing and checking discs. I will have one of my wonderful sons deliver them to the PSC in the morning. Paula

Sure whenever you're ready. I suggest checking the discs and making sure everything works before dropping them off.

Dean, The two items have been changed. May we bring in the (hopefully) completed and corrected discs?

Paula,

Here are the 2 remaining items for the completeness review of Revision 27. A formal letter will be following. Thanks.

Section 1.1 - Application and Support Documents

Follow-up to item No. 2: Please insert the application form and the one page Revision Narrative and Listing of Revised Information for Revision 28 to KRSB-8603 approved October 21, 2013 in Subsection I. Application History of Section 1.1. The Revision Narrative and Listing of Revised Information inserted with the January 15, 2014 response are those documents for Revision 28 to KRSB-8802. (WTG)

Section 3.2 - Water Management Plan

Follow-up to item No. 17: Exhibit 3.2.7 (Pond No. 85 (table)) was updated with Revision 28 approved October 21, 2013 to reflect runoff from the dragline walkway disturbance but the updated table has not been added to Revision 27. Please add the updated table to Revision 27. (WTG)
