Revision No. 27, Permit KRSB-8603
Application

Case No. RC-13-70

NOTICE OF RECEIPT OF PERMIT REVISION APPLICATION

February 12, 2014

Dakota Westmoreland Corporation (DWC) has applied for a permit revision application to add 892.2 acres of land located in Sections 20, 21, 22 and 23 of T143N, R88W, to Surface Coal Mining Permit No. KRSB-8603. This additional area is located south of the existing permit area. This revision will allow DWC to expand the permit area for additional coal mining and related activities. The revision application adds environmental resource information and updates operations and reclamation plans to reflect the area being added to Permit KRSB-8603.

The revision application to the surface coal mining and reclamation permit may be inspected at:

Public Service Commission
State Capitol
Bismarck, ND 58505-0480

Mercer County Auditor
County Courthouse
Stanton, ND 58571

You may submit written comments or objections on the proposed permit application and its effects on the environment and on surface owners of the land in the permit area. You may request an informal conference with the Commission and the applicant on the application. The reasons for requesting an informal conference must be stated in the request. In addition, you may also file a petition to designate lands being added to the permit as unsuitable for mining. Written comments, objections, petitions, or requests for an informal conference must be filed with the Commission by **March 31, 2014**.

If there is an informal conference, you may request a formal administrative hearing on the Commission ruling on the application. Your request for a formal hearing must be made within thirty days of the Commission ruling on the application.

Written comments, objections, petitions, or requests for informal conferences should be addressed to the Public Service Commission, 600 E. Boulevard Ave. Dept. 408, Bismarck, North Dakota 58505-0480. You may contact the Commission at 701-328-2400 or TDD 800-366-6888.
