John,

Please docket this email in the above referenced cases. I am assigned to the Staff Advocacy and have reviewed the compliance filing made by MDU on December 19, 2013. I have reviewed the filing and find that it is in compliance with the commission Order dated December 18, 2013. Mr. Fahn asked me to prepare a motion and put the matter on the December 30, 2013 special meeting agenda for approval. MDU's environmental cost recovery rider will increase residential customers' bills using 750 kWh by \$1.52 per month. Mike
