Re: Executed Contract Amendment No. 2 for Scranton Groundwater Monitoring

Dear Mr. Schmid:

Enclosed is a fully executed signature page for Amendment No. 2 to Contract No. AM-680-13 we have with Water Supply, Inc. for groundwater monitoring services at the Scranton AML project site. This amendment extends the contract period until December 31, 2016 and increases the amount of the contract by \$2,456.50, from \$23,762.80 to \$26,219.30 to cover the estimated costs for two (2) additional groundwater sampling events at the same unit prices as the original contract.

If you have any questions, feel free to contact Joan Breiner or me.

Sincerely,

James R. Deutsch
Director
AML Division
