Mr. Brad Nelson
B&C Concrete Pumping, Inc.
1502 Broadway
Williston, ND 58801

Dear Mr. Nelson:

Please find attached two copies of the Notice to Proceed form for the 2013 Scranton/Bowman AML Project and the 2013 Beulah/Zap Phase 14 AML Project. Please sign all copies and return one copy for each project to me. Also please send a schedule of construction for each project as required by Special Condition No. 16 of the contract.

As part of the Specific Provisions, please schedule an informational workshop for the Scranton/Bowman AML Project (See page 31 of the IFB for more information.) I have attached a list of property owners and local officials. I would also suggest putting up fliers, publication or some other method inviting the public to attend.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Joan Breiner".
