**RE: Contract Amendment for the 2013 Sinkhole Filling Project in western North Dakota**

Dear Ms. Pleasant:

On March 26, 2014 the North Dakota Public Service Commission approved a motion to amend Contract No. AM-679-13 with Pleasant and Sons Construction of Greenville, KY to increase the contract amount to \$225,000.00 for sinkhole filling at several abandoned underground mines in western North Dakota. As Bill Dodd discussed with you, the additional work carried out under the amended contract will be at the same unit costs as specified in the original contract and all other terms of the contract remain unchanged. Enclosed are two (2) copies of the contract signature page showing the new contract amount for you to execute and return to us. Please sign and return both copies to us as soon as possible.

Upon receipt of the signed documents, the Commission will execute them and one of those will be returned to you. If you have any questions, feel free to contact Bill Dodd or me.

Sincerely,

James R. Deutsch  
Director  
AML Division
