

Keith Kessler Complaint – Weekly Report

Case No. PU-13-127 & I-15-0195

May 15, 2018

- On Friday May 11th, 2018 Ben Reister, Scott Monroe, Wade Isaacson, and Todd Simmons met with Deanna & Keith Kessler at the Minnesota Power New Salem office to discuss their counter proposal to Minnesota Power's second offer to resolve the Bison 4 construction complaint.
- Deanna & Keith Kessler's counter proposal included the Bison 4 construction complaint items as part of a broader complaint related to T441 and made the recommendation to resolve all items as part of one large settlement.
- We agreed to review their offer internally and provide them a written reply within the requested 30 day timeframe noted on the counter proposal.
