

Keith Kessler Complaint – Weekly Report

Case No. PU-13-127 & I-15-0195

May 22, 2018

- Minnesota Power is reviewing the latest offer from the Kesslers.
- Minnesota Power is soliciting proposals from third-party engineering firms to inspect the reclamation issues raised by the Kesslers. The selected firm would also provide a reclamation plan outlining necessary steps to attain a level of remediation consistent with applicable standards.
