

Keith Kessler Complaint – Weekly Report

Case No. PU-13-127 & I-15-0195

June 12, 2018

- On 6/6, Minnesota Power and a representative from Wenck Associates reviewed the Bison 4 construction complaint items on site. Wenck is preparing a report for delivery this week with an assessment of site conditions and recommendations for remediation.
- Once this report is received, a meeting will be scheduled with Mr. Kessler to discuss the remediation plan.
