Dear Mr. Moeller:

Thank you for providing the weekly report to Mr. Kessler.

Please be advised that I am in the process of preparing a proposal to Minnesota Power/Allete this week.

I am in the process of finalizing it and getting Mr. Kessler's approval.

I note that the delay has been all mine (not Keith's) – it is a little busy for all of us Northwestern North Dakota lawyers. I have been in court or dealing with emergencies since January 2, and frankly I felt no rush (given all the fires I've been putting out during the winter months) until spring finally got here.

Spring is here and we want to get this all resolved now as well.

I note that I am in DC all this week but trying to get this finalized while at a conference – if at all possible.

It is my hope that the proposal we will be submitting will resolve all the reclamation issues.

Sincerely,

Lynn
