RE: North Dakota Telephone Company Exchange and Network Services Tariff

North Dakota Telephone Company (NDTC) respectfully files with the North Dakota Public Service Commission the enclosed revised tariff pages of the NDTC Exchange and Network Services Tariff. We have enclosed both an original and a redlined copy. The effective date for the tariff revisions is May 1, 2013.

The filing of the revised tariff pages serves to implement company-wide EAS within all North Dakota Telephone Company exchanges. Additionally, in Section 5 NDTC has grandfathered seasonal service.

If you have any questions or need additional information please let me know and I will be happy to provide this as requested.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dave Dircks", is written over a horizontal line.
