Subject: Allowing Tariffs to Automatically go into Effect (Case No. PU-13-140)

John,
Please docket this email in Case No. PU-13-140 and close the case.

Otter Tail Power Company's application for tariff changes simply removes old language referencing the North Dakota Administrative Rule Section 69-09-02-37. The master metering prohibition was repealed by the commission in Case No. PU-12-162 and effective April 1, 2013 as authorized by the legislature. Otter Tail plans to implement the new tariff beginning May 1, 2013 and staff sees no reason to object to the change. Mike
