RE: Trans National Communications International, Inc. , Tariff Advice Letter No. 4

Dear Mr. Nitchke:

Enclosed for submission to the North Dakota Public Service Commission ("Commission") are an original and seven (7) copies of amended Sheet Nos. 1 and 43 for incorporation into Trans National Communications International, Inc.'s ("TNCI") switched exchange access tariff, North Dakota P.S.C. Tariff No. 3.

With this filing, TNCII complies with the July 1, 2013 interstate access rate benchmarking requirement set forth in Section 51.911(c) of the Federal Communications Commission's Rules, Access Reciprocal Compensation Rates for Competitive LECs, promulgated under the USF/ICC Transformation Order, as amended, which states in part:

Beginning July 1, 2013, notwithstanding any other provision of the Commission's rules, all Competitive Local Exchange Carrier Access Reciprocal Compensation rates for switched exchange access services subject to this subpart shall be no higher than the Access Reciprocal Compensation rates charged by the competing incumbent local exchange carrier, in accordance with the same procedures specified in §61.26 of this chapter.

TNCII now sets its composite terminating intrastate rate at parity with the corresponding interstate rate, effective July 1, 2013. Also enclosed is a copy of the applicable page from TNCII's interstate tariff evidencing its compliance with Section 61.26 of the FCC's Rules.

Please acknowledge receipt of this filing by date-stamping and returning the additional copy of this transmittal letter in the self-addressed, postage paid envelope provided for this purpose. Questions concerning this filing may be directed to the undersigned.

Sincerely,

For MILLER ISAR, INC.
