Case No. _____

**JOINT APPLICATION FOR TRANSFER OF
CORRIDOR CERTIFICATE AND ROUTE PERMIT**

Pursuant to North Dakota Century Code §49-22-07 and North Dakota Administrative Code §69-01-02(3), Enbridge Pipelines (North Dakota) LLC (“Enbridge North Dakota”) and Enbridge Pipelines (Bakken) L.P., (“Enbridge Bakken”) hereby jointly make Application for transfer of a corridor certificate and a route permit.

In Case No. PU-10-612, the Commission issued to Enbridge North Dakota a Certificate of Corridor Compatibility (Certificate No. 118) and Route Permit (Permit No. 128) for the construction of approximately 11 miles of 12-inch pipeline and two new pump stations. The pipeline is located in Burke County, North Dakota, from Milepost 29 to Milepost 40, one pump station is located near Kenaston in Ward County, North Dakota; and the other near Lignite in Burke County, North Dakota.

This pipeline and all associated facilities are known as Line 26, which line was originally constructed in 1964.

The pipeline is currently operated by Enbridge North Dakota. Enbridge Bakken, with a principal office at 1100 Louisiana St, Suite 330, Houston, TX 77002-5217 and whose address for

purposes of this application is 1409 Hammond Avenue, Suite 300, Superior, WI 54880, has entered into an agreement with Enbridge North Dakota to acquire all assets of Line 26.

Attached hereto is a Certificate of Fact of Enbridge Bakken as issued by the North Dakota Secretary of State, evidencing the limited partnership's registration to do business in the State of North Dakota.

Enbridge Bakken agrees to comply with the terms and conditions of all Commission orders pertaining thereto, as issued to prior operators of this pipeline.

Enbridge North Dakota and Enbridge Bakken hereby respectfully request that this transfer be approved and that the Commission reissues a corridor certificate and a route permit for this pipeline to Enbridge Bakken.

Enbridge also respectfully requests that the record made at the informal hearing held in Case No. PU-12-823 on March 27, 2013; including the testimony of Enbridge Bakken and Enbridge North Dakota representative Bob Steede regarding the transfer of Line 26; be incorporated into the record in this case and thereby eliminate any need for an informal hearing in this case.

Pursuant to NDAC § 69-06-01-02(3) and North Dakota Century Code § 49-22-13(2), the Commission, upon the determination that such an application is complete, shall publish a notice of opportunity for a public hearing in the official newspaper of Burke County, North Dakota.
