Transfer of Corridor Certificate & Route Permit
Siting Application

Case No. PU-13-153

NOTICE OF OPPORTUNITY FOR HEARING

April 24, 2013

On May 5, 2011, in Case No. PU-10-612, the Commission issued Certificate of Corridor Compatibility No. 118 and Route Permit No. 128 to Enbridge Pipelines (North Dakota) LLC for the replacement of approximately 11 miles of Enbridge's 12-inch diameter Line 26 pipeline beginning at milepost 29 and ending at milepost 40 located in Burke County, North Dakota. On September 6, 2011, the Commission approved the amendments from the permitted corridor and pipeline route and issued First Amended Certificate of Corridor Compatibility No.118 and First Amended Route Permit No. 128. On April 8, 2013, Enbridge Pipelines (North Dakota) LLC and Enbridge Pipelines (Bakken) L.P. (Enbridge Bakken) submitted a joint application for the transfer of Certificate of Corridor Compatibility Number 118 and Route Permit Number 128 to Enbridge Bakken, Case No. PU-13-153.

The issues to be considered in Case No. PU-13-153 are whether Enbridge Bakken agrees and is able to comply with the terms and conditions of the corridor certificate and the route permit issued to Enbridge ND, and whether the requested transfer is compatible with the public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by May 29, 2013.** If deemed appropriate, the Commission can determine the matter without a hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify the Commission.
