RE: Discontinue Business  
CHS, Inc. – Monango, North Dakota

The Licensing Division received a Request to Discontinue Business from CHS, Inc. of St. Paul, Minnesota, for its facility at Monango, North Dakota. This facility was operated under a facility-based grain buyer license. CHS, Inc. is no longer receiving grain at this warehouse and it has been closed.

I recommend the request be approved. A corresponding motion and order are attached.
