Re: Boomerang Wireless LLC; Case No. PU-13-203

On October 9, 2013, the Public Service Commission approved Boomerang Wireless LLC as an Eligible Telecommunications Carrier in the State of North Dakota. This correspondence is to notify you that Boomerang Wireless will begin utilizing the underlying services of T-Mobile, a GSM carrier for the provision of telecommunications services to end users within the designated eligible telecommunications carrier Service Area effective immediately. This represents the addition of an underlying carrier to supplement Boomerang's coverage, but does not represent a change in the approved Service Area, offering terms, conditions or rates.

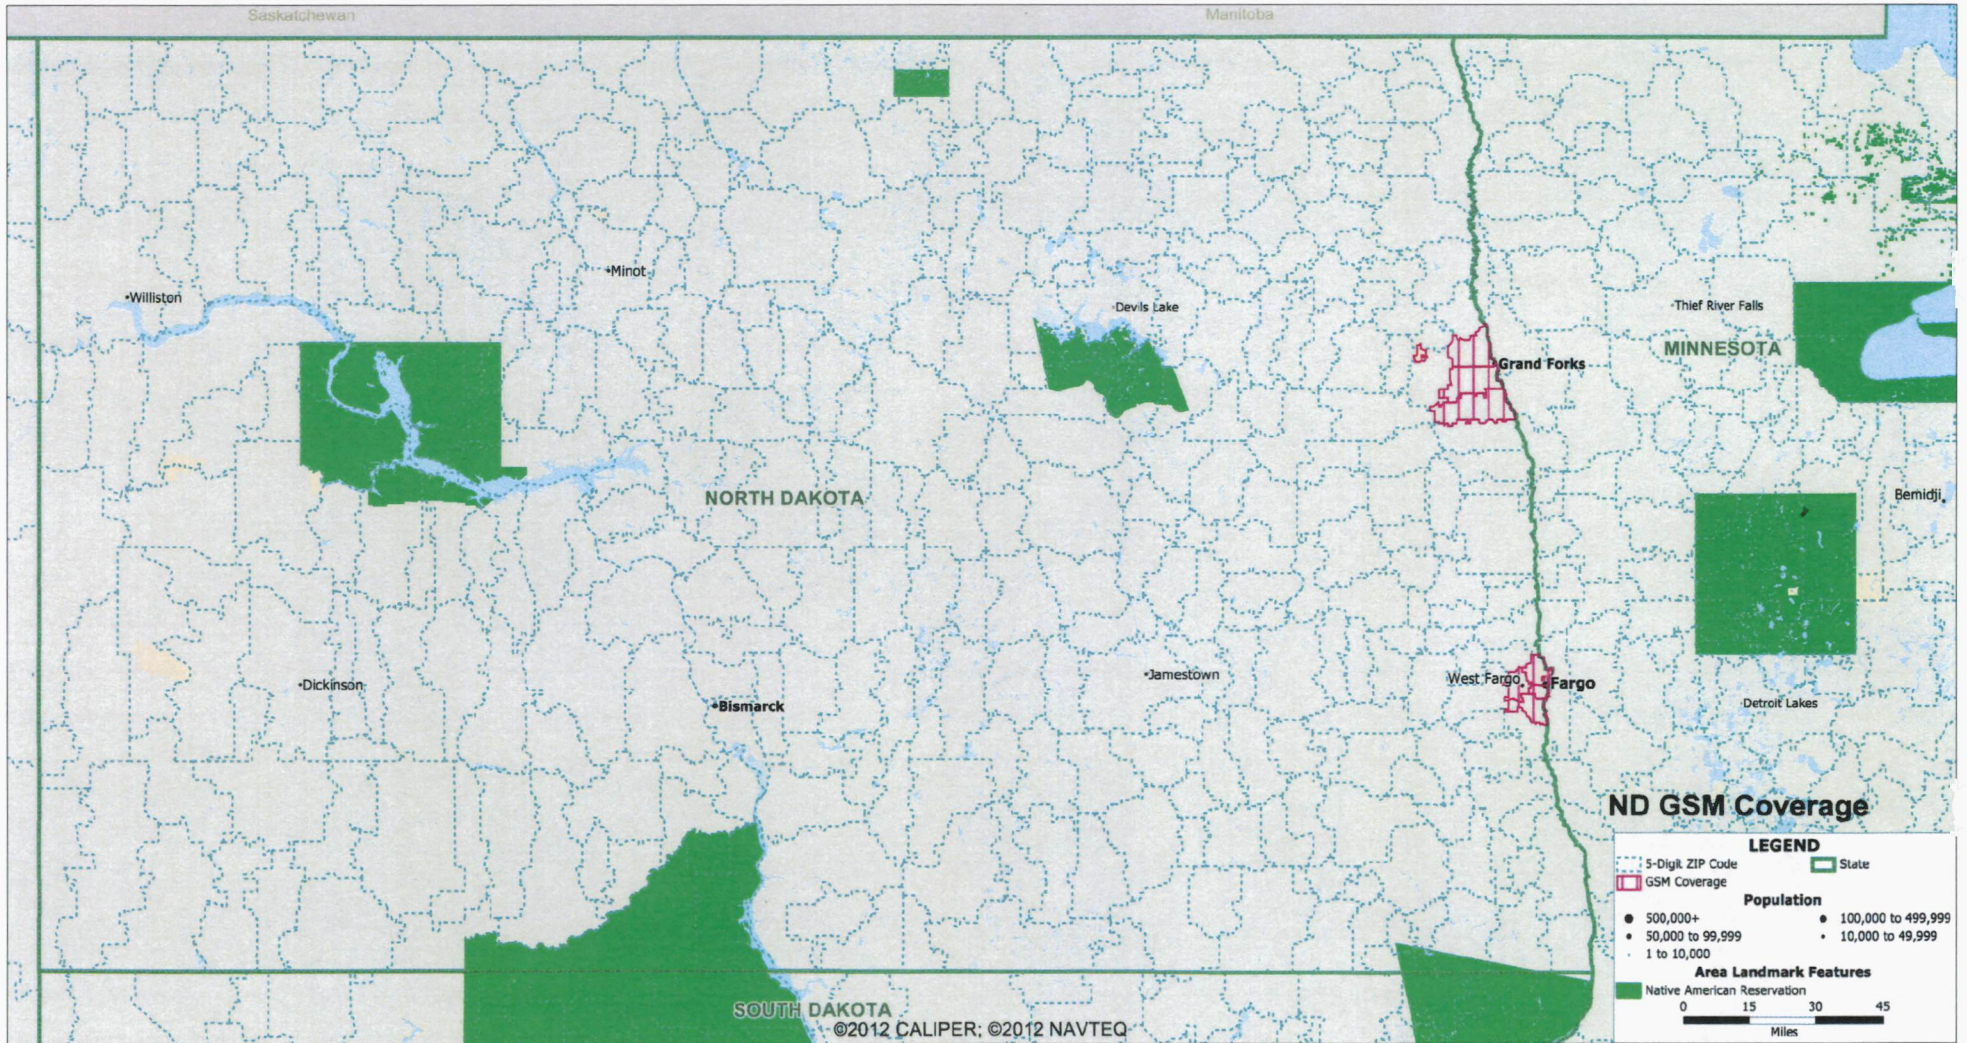

Should you have any questions or if additional information is required, please contact me or my assistant, Sherry Boyd (601) 949-4737, sboyd@joneswalker.com.

Sincerely,

J. Andrew Gipson
