Kyle,

James Byerley reviewed the boundary maps and gave his approval but since Troy Schilling had certified the other information your company requested he said to just fill it out with Troy's contact information.

I will Cc Troy so he is aware that his name is being submitted for the certification form and that he has the link to the boundary file for review also.

If you need to receive the certification from Troy, please email him at the above email address.

If you have any questions or need anything else from us, please let me know.

Thank you for all your help though this process.
