RE: Capacity Increase

Dear Jason:

Your request to increase the license capacity at Adrian by 1,900,000 bushels to reflect the addition of a 700,000 bunker facility with concrete base, sidewalls, air, tarp and farm conveyor and a 1,200,000 bunker facility with packed gravel base, side walls, air, tarp and farm conveyor is approved. With this change your licensed capacity is now 2,608,000 bushels at Adrian effective December 2, 2013.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter, Director
Licensing Division
