Mr. Rodenbough.

I am writing to let you know we have not received any response to the 3rd Party Damage Complaint that was sent to you on August 28 in regards to the damage prevention case GS-13-383 associated with Montana-Dakota Utilities. Your response was supposed to be received by September 23, 2013 at the Public Service Commission but to this date, there has been no response received. Please look into this and address as soon as possible.

Regards,
