Hi,

Sorry – I meant to reply back on Friday on this. The Dakota Valley board on Friday decided not to protest this request. Thanks.

Jay

Cara –

This request does not appear to be an application we would protest, but I will nevertheless need to review it with the Dakota Valley board at their meeting this coming Friday. I should be able to get back to you with our answer that afternoon. Thanks.

Subject: Temporary Authority Permit

Hello,

Please find attached a request from Otter Tail Power Company for temporary authority to extend electric services to Robert Matejcek in Richland County, North Dakota.

Please review this request as soon as possible and let me know whether the Cooperative will protest the application.

Thank you for your attention in this matter.
