RE: Midcontinent Communications  
 Applications for Certificates of Registration

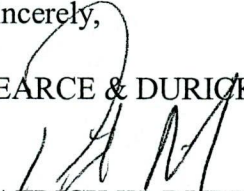

Dear Sharon:

Enclosed please find two Telecommunications Reseller's Bonds: a bond in the amount of \$25,000 for the resale of local services and a bond in the amount of \$300,000 for the resale of long distance services.

The size of the bond for the resale of long distance services was calculated by multiplying the anticipated number of customers in three years by the deposit required plus a cushion of \$25,000, (2750 x \$100) + \$25,000 = \$300,000.

Should you have any questions concerning this filing, please contact me.

Sincerely,  
  
 PEARCE & DURICK

## Policyholder Disclosure Notice of Terrorism Insurance Coverage

The Terrorism Risk Insurance Act of 2002 established a program within the Department of the Treasury, under which the Federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. The Act provides that, to be certified, an act of terrorism must cause losses of at least five million dollars and must have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest to coerce the government or population of the United States. The Federal share of compensation under this Program is equal to 90% of covered insured losses in excess of the deductible paid by us under this Program.

In accordance with the Terrorism Risk Insurance Act of 2002, we are required to offer you coverage for losses resulting from an act of terrorism that is certified under the Federal program. The law also requires us to disclose to you the premium charge associated with the expanded terrorism coverage. At this time we have waived any premium associated with this program for our policyholders. So, the cost under your policy is zero.

Any questions concerning your policy and this coverage should be directed to your agent. Thank you for doing business with our companies.

This Power of Attorney may not be used to execute any bond with an inception date after July 1, 2007
