Subject: GPNG Rates

Mike, sorry to be a pain. We have found through testing that it is best if we implement the Dk rates for Wahpeton effective with service rendered on and after May 6 rather than May 1 in order to match up with billing cycles there. We would also change the COG for May to be effective May 6. The Motion does not reflect an effective date but wanted you to know our plan and see if you have any concerns. Thanks! Tamie
