Except in an emergency, an excavator shall contact the notification center and provide an excavation or location notice at least forty-eight hours before beginning any excavation, excluding Saturdays, Sundays, and holidays, unless otherwise agreed to between the excavator and operator. If an operator determines more time is necessary for location, the operator may request a twenty-four-hour extension of the excavation or location notice by notifying the notification center. The notification center shall notify the excavator of the extension. An excavation begins the first time excavation occurs in an area that was not previously identified by the excavator in an excavation notice.

At the time of the incident that is subject of this proceeding, N.D.C.C. § 49-23-04(3)(g) stated:

An excavator may not use a location more than ten days, or any extension of that period, after the planned excavation date unless the excavator has made previous arrangements with the operators affected.

Any administrative agency may adopt rules of practice or procedure for informal disposition if such rules do not substantially prejudice the rights of any party. Such rules may establish procedures for converting an administrative matter from one type of proceeding to another type of proceeding.

At the time of the incident that is subject of this proceeding, N.D.C.C. § 49-07-01.1 stated:

Any person who violates any statute, commission order, or commission rule which applies to matters within the authority of the commission under chapters 8-08, 8-09, 8-10, 24-09, 32-25, and 51-05.1, titles 60 and 64, and title 49 except for chapter 49-22 shall, in addition to any other penalty provided, be subject to a civil penalty of not to exceed five thousand dollars. The civil penalty may be compromised by the commission. The amount of the penalty when finally determined or agreed upon in compromise, if not paid, may be recovered in a civil action in the courts of this state.

N.D. Admin. Code § 69-02-04-05 states:

If a protest or request for hearing is not filed within the time provided, the commission may dispose of the matter on the basis of the pleadings, other submittals, and the studies and recommendations of the staff. A party not requesting oral hearing in the party's pleading is deemed to have waived a hearing for the purpose of the decision, but not for the purpose of applying for rehearing with respect to the decision. If a person requests a hearing but does not show good cause, the commission may determine the matter without a hearing.

Based on its investigation, Staff concluded that on July 22, 2013, one day before the work to begin date provided in the excavation notice, Kingdom personnel began an excavation, as defined under N.D.C.C. § 49-23-01(7), in the area described for locate

ticket number 13106977 to install footings for 23 house decks along 8th St NE and Mulberry Loop in the city of Minot, in Ward County, North Dakota.

Based on its investigation, Staff concluded that a natural gas service line was damaged during this excavation and that the amount of damage was approximately \$288.79. The operator has been reimbursed for damages. One residential customer lost service for approximately 1 hour. This did not cause an adverse effect on the customer.

Based on its investigation, Staff concluded that there was no agreement between Kingdom and MDU under N.D.C.C. § 49-23-04(1) prior to excavation that would relieve Timber Ridge of its obligation to provide excavation notice at least forty-eight hours before the excavation.

Based on its investigation, Staff concluded that the excavation was not being made in a time of emergency under N.D.C.C. § 49-23-04(4), allowing the excavator to give notification after the start of the excavation.

Based on its investigation, Staff concluded that Kingdom violated N.D.C.C. § 49-23-04 by failing to provide an excavation notice to the NDOC Notification Center at least forty-eight hours before beginning its excavation.

Kingdom and the Commission have agreed to resolve this matter without further administrative proceedings.
