Re: Northern States Power Company
OAH File No. 20130398

Dear Ms. Jeffcoat-Sacco:

On October 31, 2013, I presided as a procedural administrative law judge in the matter of applications filed by Northern States Power Company (NSP) for an advanced determination of prudence (ADP) for a proposed Purchase Power Agreement (PPA) for the 200 MW Courtenay Wind Project (Case No. PU-13-706); a proposed PPA for the 200 MW Odell Wind Project (Case No. PU-13-707); and a proposed purchase of the 200 MW Pleasant Valley Wind Project (Case No. PU-13-708); and an application for an advanced determination of prudence (Case No. PU-13-742) and a Certificate of Public Convenience and Necessity (Case No. PU-13-743) to purchase the proposed Border Winds Project.

NSP Exhibits 1-8 and Advocacy Staff Exhibit A, were admitted into the record. There will be one late-filed exhibit, NSP Exhibit 9, titled "Production of energy from Prairie Rose" which was also admitted. I left the exhibits with John Hamre.

I will retain the file and hold the record open to receive the late-filed exhibit and proposed findings from NSP. Advocacy staff may also be filing proposed findings. Please inform me when these are filed so that I may close the record and return the case file with remaining documents to you.

Please let me know if you have any questions. Thank you for your attention to this matter.

Sincerely,

Bonny M. Fetch
Administrative Law Judge
