Mr. Darrell Nitschke, Executive Secretary
North Dakota Public Service Commission
600 E. Boulevard Avenue, Dept. 408
Bismarck, ND 58505-0480

RE: FCC Form 481 Filing for Roberts County Telephone Cooperative Association

Dear Mr. Nitschke:

On behalf of our client Roberts County Telephone Cooperative Association, enclosed is an original and seven copies of the FCC Form 481 that has been filed with USAC and that will be filed with the FCC post-government shut down, pursuant to 47 C.F.R. § 54.313.

Please note that some of the information included in the completed Form 481 report is confidential and proprietary. The confidential information has been redacted from the Form 481 Report.

Per Chapter 69-02-09-01, Trade Secret Procedures, of the Commission's rules, one copy of the confidential information is being filed with an Application for Trade Secret Protection in a separate sealed envelope labeled: TRADE SECRET – PRIVATE.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Judy Christiansen".

Judy Christiansen
Consultant

Universal Service Administrative Company
2000 L Street, NW, Suite 200
Washington, DC 20036

RE: FCC Form 481 Filing

Dear Director:

This letter is an update to our previous letter that was submitted on September 12, 2013, to add an additional SPIN.

This letter is to confirm that Roberts County Telephone Cooperative Association (SPIN 143002243), RC Communications, Inc. (SPIN 143006439) and RC Services (SPIN 14303235) which make up one study area SAC 391674) will be filing one FCC Form 481 because all of their operations are merged.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Robin Thoreson".

Robin Thoreson
Accounting Manager

Attachments

Roberts County Telephone Cooperative Association

Certification of Compliance with Applicable Service Quality Standards and Consumer Protection Rules

Service Quality Standards

The Company:

- Provides voice grade access to the public switched network.
- Provides flat rated local exchange service with no additional charge to end users.
- Provides access to the emergency services provided by local government or other public safety organizations, such as 911 and enhanced 911.
- Provides toll blocking and toll limitation services.
- Advertises the availability of its services and the charges using media of general distribution and on its website.
- Maintains a business office providing customers with access to a customer service representative either in person or via a local telephone call or toll-free telephone number during normal business hours.
- Directs after hour calls to the Company's help desk.
- Directs trouble reports to the on-call technician.
- Tracks all service orders to ensure they are completed in a timely manner.
- Measures its service connection and service interruption performance on a regular basis.
- Trains employees to:
 - Answer all incoming calls promptly.
 - Respond to all inquiries for information promptly and courteously.
 - Investigate thoroughly all customer complaints and handle appropriately according to the Company's guidelines for resolution of customer complaints.
 - Be knowledgeable about products and service offerings so they can assist the customer with selecting the best service option.
- Has a process for periodic inspection, testing and preventive maintenance of its equipment to permit the rendering of safe, adequate and continuous service at all times.

Consumer Protection Rules

The Company has established operating procedures designed to facilitate compliance with applicable consumer protection rules which include compliance with the Customer Proprietary Network Information (CPNI) rules. The operating procedures include:

- Appointment of a compliance officer.
- A manual detailing the specific procedures for protecting consumer information.
- Employee training on an annual basis.
- A disciplinary process for improper use of consumer information.

Roberts County Telephone Cooperative Association

Functionality in Emergency Situations

Back-Up Power

All of our DLC's, remote locations and central offices have an 8 hour battery backup system. We have a fixed generator at our central offices and portable generators for our remote DLC's.

Rerouting of Traffic around Damaged Facilities

We are using a 10 Gig Ethernet ring throughout our company. We are also using an OC48 ring shared with adjoining companies. These provide diverse routing in case of a cable splice or other outage.

Traffic Spikes

The company has adequate switching facilities to handle sporadic traffic spikes. It can take reasonable steps to reroute traffic or add capacity to manage traffic spikes throughout its network as emergency situations require.

Roberts County Telephone Cooperative Association

Description of Tribal Engagement

For Form 481 Line 920 thru Line 929

The Company provides service in the area of Sisseton Wahpeton Oyate ("SWO") Tribe. On November 2, 2012, by letter sent via certified mail to the Tribal Chairman, Company (together with four other companies that provide services to the SWO Tribe) requested a joint meeting with the SWO Tribe to exchange information and discuss issues related to the deployment and provisioning of communications services on Tribal lands. Company resubmitted the letter via email on November 9 and November 14, 2012. Company did not receive a response until after the first of the year of 2013.

In accordance with provisions in the FCC's USF and ICC Transformation Order, paragraphs 636 and 637, and 47 CFR 54.313(a)(9), at the meetings with the Tribal Authorities, the Company will, with tribal input, develop a needs assessment to assist with future service deployments on Tribal lands. In particular, the Company and the Tribal Authority discussions relating to needs and service deployment will be focused on community anchor institutions. The feasibility and sustainability of communications services on tribal lands will be discussed and the Company will, with assistance from the Tribal Authorities, attempt to identify additional steps that can be taken to make essential communications services deployed on Tribal lands both feasible and sustainable. The Company and Tribal Authorities will also discuss and explore ways in which they can coordinate or partner to ensure that services are marketed on tribal lands in a manner that will relate to the community and resonate with consumers, with the aim of increasing service adoption. At such meetings, the Company will also be prepared to discuss the relevant rights-of-way and other permitting and review processes, as well as any challenges associated with these processes. And finally, the Company will come to any such meetings prepared to discuss and engage the Tribal Authorities on any relevant and applicable Tribal business and licensing requirements.

Roberts County Telephone Cooperative Association (RCTCA)

Lifeline Terms and Conditions

RCTCA offers Lifeline program-supported service to qualified low-income residential consumers for one telephone line per eligible household. The Lifeline program provides discounts to eligible low-income consumers to help them establish and maintain telephone service. Lifeline assistance lowers the cost of basic, monthly local telephone service. Eligible consumers can receive \$9.25 per month in discounts. In addition, the Federal Universal Service Charge is not assessed to consumers participating in Lifeline. Toll Blocking prevents the placement of all long distance calls for which a subscriber would be charged. Toll blocking is available to eligible consumers at no cost. Also, by choosing this option, consumers are usually not charged a deposit.

Lifeline Program Eligibility Information

Program Based Eligibility

Consumers are eligible for Lifeline if they, one of their dependents or their household participate in one of the following qualifying assistance programs:

- Low-Income Home Energy Assistance Program (LIHEAP)
- Federal Public Housing Assistance (Section 8)
- Supplemental Nutrition Assistance Program (SNAP)
- Medicaid
- National School Lunch Program's Free Lunch Program
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)

Lifeline applicants must present documentation demonstrating eligibility either through participation in one of the qualifying federal assistance programs or through income-based means.

Acceptable documentation of program-based eligibility includes: current or prior year's statement of benefits from a qualifying state, federal or Tribal program; notice letter of participation in a qualifying state, federal or Tribal program; program participation documents; or another official document evidencing the consumer's participation in a qualifying state, federal or Tribal program.

Income Based Eligibility

In addition, consumers are eligible for Lifeline if their household income is at or below 135% of the federal poverty guidelines.

2013 Federal Poverty Guidelines – 135%

Household Size	48 Contiguous States and D.C.	Alaska	Hawaii
1	\$15,512	\$19,373	\$17,861
2	\$20,939	\$26,163	\$24,098
3	\$26,366	\$32,954	\$30,335
4	\$31,793	\$39,744	\$36,572
5	\$37,220	\$46,535	\$42,809
6	\$42,647	\$53,325	\$49,046
7	\$48,074	\$60,116	\$55,283
8	\$53,501	\$66,906	\$61,520
For each additional person, add	\$5,427	\$6,791	\$6,237

Acceptable documentation of income eligibility includes: prior year's state, federal or Tribal tax return; current income statement from an employer or paycheck stub; social security statement of benefits; Veterans Administration statement of benefits; retirement/pension statement of benefits; unemployment/workmen's compensation statement of benefits; federal or Tribal notice of letter participating in General Assistance; or a divorce decree or child support award or other official document containing income information.

Tribal Eligibility

A subscriber who lives on Tribal lands and is an eligible resident of Tribal lands is eligible for Tribal Lifeline service or Tribal Link Up if the subscriber, one or more of the subscriber's dependents, or the subscriber's household participates in any of the above-listed qualifying assistance programs or one of the following Tribal-specific federal assistance programs: Bureau of Indian Affairs General Assistance; Tribally Administered Temporary Assistance for Needy Families; Head Start (if income eligibility criteria are met); or the Food Distribution Program on Indian Reservations (FDPIR). Tribal subscribers may also qualify if the household income is at or below 135% of the Federal Poverty Guidelines.

Numbers of Minutes-of-Use Provided as Part of Lifeline Program Service

RCTCA's Voice Lifeline service includes unlimited local minutes-of-use within the toll-free calling area. RCTCA's Voice Lifeline Plan does not include any free minutes-of-use for toll. Toll is billed at the standard toll rate depending on which interexchange carrier the consumer subscribes to for toll service. As part of the Lifeline service, Toll blocking is available to eligible consumers at no cost.

Rates

Subscribers may receive the Lifeline credit on any type or grade of local service, including bundled services that are normally offered by RCTCA. Advertised rates do not include any applicable taxes or surcharges.

Recertification of Lifeline Eligibility

Lifeline recipients are required to recertify their eligibility annually. Failure to properly recertify a recipient's continued eligibility for the Lifeline program will result in termination of the Lifeline recipient's monthly Lifeline discount and de-enrollment from the Lifeline Program.

Additional Lifeline Program Information

The Lifeline program is limited to one benefit per household, consisting of either wireline or wireless service. A household is defined, for purposes of the Lifeline program, as an individual or group of individuals who live together at the same address and share income and expenses. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 3220-031. The time required to complete this information collection is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
