Good Afternoon, Mr. Thompson,

It's my understanding that the PSC is waiting for me to file a late-filed exhibit requested by Commissioner Kalk on safe digging processes for excavators. I intend to simply submit the [electronic copy of the ND One-Call Manual](#), so it saves everyone time and paper.

By law, when I submit that to the PSC, I need to give you a copy as well. May I have your permission to send (or "serve") the Manual as a pdf file to you via email?

If so, I can wrap this up in the next day or so.

Thanks,
