Re: Three phase electric service to Johnson-Larson Farms for rural grain bin site
Case No. PU-13-725

Dear Ms. Jeffcoat-Sacco,

Cass County Electric will not object to the granting of a Certificate of Public Convenience and Necessity to Ottertail Power Company (OTP) in the above mentioned case, provided the service is for this specific rural farm service located in the NW ¼ of the NE ¼ of Section 11, Twp 132N, R 56W of Sargent County, North Dakota.

Cass County Electric is retaining its existing single phase service to the farmstead in this matter and Otter Tail Power Company will construct a new three phase service for a grin bin site at the same approximate location. Cass County Electric reserves the right to object to any extension beyond the specific service requested.

Sincerely yours,

Bradley J. Schmidt PE
Sr. VP Trans. & Distr. Services
