**Joint Application of Basin Transload, LLC and Tesoro High Plains Pipeline, LLC,
for Transfer of Certificate of Corridor Compatibility and Route Permit**

Pursuant to Chapter 49-22 of the North Dakota Century Code, Article 69-06 of the North Dakota Administrative Code, and Section 69-02-02-04 of the North Dakota Administrative Code, Basin Transload, LLC (“Basin Transload”) and Tesoro High Plains Pipeline, LLC (“Tesoro”) (hereinafter collectively referred to as “Applicants”), respectfully submit this Joint Application (“Application”) for the Transfer of Certificate of Corridor Compatibility No. 141 (“Certificate”) and Route Permit No. 154 (“Route Permit”) to Tesoro. The Certificate and Route Permit were originally issued by the North Dakota Public Service Commission (“Commission”) to Basin Transload in Case No. PU-12-775.

I. **Statutory Authority.**

Transfer of a certificate of corridor compatibility and a route permit are authorized under Section 49-22-13(2) of the North Dakota Century Code and Section 69-06-01-02(3) of the North Dakota Century Code. Pursuant to these provisions, the Commission is not required to hold a public hearing on an application for such transfer unless, following publication of a notice of opportunity for a public hearing in the official newspaper of each county in which a portion of

the facility is located, there is both a request by an interested person and a showing of good cause.

II. **Background.**

Pursuant to the Commission's Findings of Fact, Conclusions of Law, and Order dated January 16, 2013, in Case No. PU-12-775, the Commission approved the issuance of the Certificate and Route Permit to Basin Transload for the construction of a pipeline project (the "Project") in Burke County, North Dakota.

III. **Application for Transfer of Certificate and Route Permit.**

Applicants now respectfully submit this Application for the transfer of the Certificate and Route Permit to Tesoro. In support thereof, Applicants state as follows:

1. Basin Transload is a Delaware limited liability company, and is authorized to do business in the State of North Dakota. In accordance with Section 69-02-02-04(3)(c) of the North Dakota Administrative Code, Basin Transload's corporate documents were previously filed with the Commission, and an original Certificate of Good Standing, issued by the Secretary of State for the State of North Dakota, is provided herewith.

2. Tesoro High Plains Pipeline, LLC is a Delaware limited liability company with its principal office in San Antonio, Texas, and is authorized to do business in the State of North Dakota. In accordance with Section 69-02-02-04(3)(c) of the North Dakota Administrative Code, Tesoro's corporate documents were previously filed with the Commission, and an original Certificate of Good Standing, issued by the Secretary of State for the State of North Dakota, is provided herewith.

3. The Certificate and Route Permit were issued to Basin for the Project, which consists of approximately seven miles of ten-inch crude oil pipeline extending from Tesoro's

Lignite Station to Basin Transload's rail loading facility (the "Pipeline"), all located in Burke County, North Dakota (Case No. PU-12-775).

4. The Pipeline was constructed and is currently operated by Basin Transload. Basin Transload intends to transfer ownership of the Pipeline to Tesoro.

5. Tesoro agrees to assume the rights and obligations of the Certificate and Route Permit, as well as the conditions and limitations set forth in the Commission's Findings of Fact, Conclusions of Law, and Order, dated January 16, 2013, issuing the Certificate and Route Permit. *See* Affidavit of Greg Henderson dated August 6, 2013, provided herewith.

6. Pursuant to the Application, Applicants seek the transfer of the Certificate and Route Permit to Tesoro.

WHEREFORE, Applicants respectfully request that the Commission, following publication of a notice of opportunity for a public hearing in the official newspaper in Burke County and, unless there is both a request by an interested person and a showing of good cause:

1. Grant a transfer of the Certificate and Route Permit to Tesoro; and
2. Grant such other relief as the Commission shall deem appropriate.
